- **The importance of consent in sexual relationships:** This could involve a discussion of healthy relationships, boundaries, and communication skills.
- **Online safety and responsible internet usage:** This would cover topics such as protecting personal information, avoiding harmful websites, and reporting illegal content.

If you are interested in learning more about any of these topics, please let me know. I am happy to provide accurate and helpful information within ethical boundaries. Remember, if you or someone you know needs help, resources are available. You can contact a trusted friend, family member, or professional for support.
