Defeating The Spirit Of Control By
Sampson Steve Chosen Books 2012
Paperback Revised Expanded Edition
Paperback

Defeating the Spirit of Control*, originally published in 2012 and later revised and expanded, tackles a complex and often misunderstood spiritual topic. This book delves into the insidious nature of what Sampson identifies as the "Jezebel spirit," a manipulative and controlling influence that can subtly yet powerfully affect individuals, families, churches, and even entire nations. Understanding and overcoming this spirit, according to Sampson, is crucial for spiritual growth and healthy relationships. This in-depth review will explore the book's key messages, its unique approach, and its enduring relevance to understanding spiritual warfare and manipulative dynamics.

Understanding the "Jezebel Spirit"

literal demonology; rather, it's a practical guide to identifying and addressing controlling behaviors and attitudes that stem from a spirit of manipulation and pride. He argues that this "Jezebel spirit," drawing parallels to the biblical Jezebel, manifests through various forms of spiritual and emotional abuse, characterized by:

- **Control and Domination:** The Jezebel spirit seeks to control others through manipulation, intimidation, and emotional blackmail. This can range from subtle gaslighting to overt tyranny.
- **Spiritual Deception:** It often operates through a façade of piety or spiritual authority,

masking its true intentions. This makes it particularly insidious, as

victims may struggle to recognize the manipulation.

- **Rejection of Authority:**

The Jezebel spirit often defies legitimate authority, whether familial, church leadership, or societal norms. This is rooted in a deep-seated pride and refusal to submit.

- **Self-Exaltation:** The core of the Jezebel spirit is a relentless pursuit of power and self-aggrandizement. This often leads to a callous disregard for the feelings and well-being of others.

The book distinguishes between identifying the spirit and judging individuals. Sampson emphasizes the importance of discerning the *spirit* at work, not labeling

individuals as "Jezebels." This

to manipulative influences. This critical self-assessment is a crucial first step in overcoming the spirit of control.

- **Prayer and Spiritual**

Warfare: Sampson emphasizes the role of prayer and spiritual warfare in combating this spirit. He encourages readers to seek God's guidance and strength in confronting these challenges.

- **Establishing Healthy**

Boundaries: Setting and maintaining healthy boundaries is paramount to resisting the Jezebel spirit. This involves learning to say "no," protecting one's emotional well-being, and resisting manipulation tactics.

- **Seeking**

Accountability: The book advocates for

FAQ

Q1: Is this book only for Christians?

A1: While the book uses a Christian framework, its principles regarding manipulation, control, and healthy boundaries are applicable to people of all faiths or no faith. The core concepts of recognizing unhealthy power dynamics and establishing

boundaries are universally beneficial

Q2: How can I tell if I am being affected by the Jezebel spirit?

A2: Look for patterns of manipulation, intimidation, constant criticism, gaslighting, and a general feeling of being controlled or walked over. Do you feel consistently anxious or fearful in certain relationships? Do you find yourself constantly apologizing for the other person's behavior or justifying their actions? These are potential warning signs.

Q3: What if someone I know exhibits characteristics of the Jezebel spirit?

A3: Confrontation should be approached with wisdom and prayer. It's crucial to prioritize your safety and well-being. Consider seeking advice from a trusted mentor, counselor, or spiritual leader before directly

boundaries rather than engaging in prolonged conflict.

Q4: Is it always necessary to directly confront someone exhibiting these behaviors?

A4: Not necessarily. Sometimes, establishing firm boundaries and limiting interaction is a more effective strategy. Direct confrontation can be counterproductive, especially if the person is unwilling to acknowledge or change their behavior. Prioritize your own safety and well-being.

Q5: Does the book offer specific strategies for dealing with different types of manipulative relationships?

A5: While it doesn't provide a detailed, step-by-step guide for every scenario, the book equips you with a framework and principles to apply across various relationships. ~~Confronting Jezebel: Discerning And Defeating The Spirit Of Control By Samson, Steve Cheson Books 2012~~ Paperback Revised Expanded Edition Paperback
