- **Use a Consistent System:** Develop a personal system for highlighting. For instance, you could use yellow for key concepts, orange for supporting evidence, and pink for questions or points requiring further research. This system will improve organization and recall.
- **Avoid Over-Highlighting:** Resist the urge to highlight excessively. Only highlight genuinely important passages,

limiting it to around 10% of the text. Over-highlighting renders the highlighting ineffective, as it becomes difficult to discern important sections from the rest.
